Submission Summary

Conference Name
International Conference on Circuit Power and Computing Technologies

Paper ID
360

Paper Title
Real-Time IoT Based Pre & Post Machine Diagnosis & Fault Analysis

Created on
5/5/2023, 5:59:50 PM

Last Modified
5/5/2023, 5:59:50 PM

Authors
Anson George (Karunya Institute Of Technology And Sciences) < ansonsaju@karunya.edu.in>

Primary Subject Area
OTHERS -> Mechanical

Submission Files
Real-Time IoT Based Pre & Post Machine Diagnosis & Fault Analysis.pdf (669.5 Kb, 5/5/2023, 5:43:32 PM)

Submission Questions Response

1. Paper Title
Your Research article title

Real-Time IoT Based Pre & Post Machine Diagnosis & Fault Analysis

2. Address for Correspondence
Corresponding author full mailing address

Ancy Jenifer. J
Computer Science and Engineering Karunya Institute of Technology and Sciences, Coimbatore, India
ancyjenifer@karunya.edu

3. Author 1 information
Full Name
Email

To: icescsconf@gmail.com

Respected Sir/Ma'am,

I am writing to submit my conference paper titled "Real Time IoT Based Pre & Post Machine Diagnosis & Fault Analysis" for consideration to be presented at the ICESC 2023 Conference.

Thank you for considering my submission.
Sincerely,
--
